

United Way
of South Hampton Roads
Community Partner

Allfirst & United Way Partnership

United Way is a non-profit organization committed to the well-being of our community. United Way of Hampton Roads is pulling together donations and volunteers from business, government agencies, faith groups and other non-profits to earn money to give to programs to improve literacy of pre-schooled aged children, develop better and diverse ways to reach populations in need of health care, and work with local governments and groups on issues of affordable housing and job training with a focus on ended homelessness.

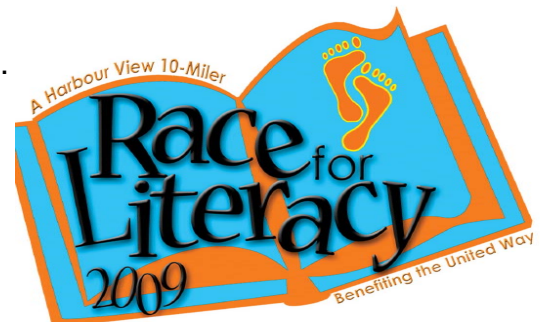

This year, Allfirst has decided to donate \$3200 from employee contributions to United Way and all that they do. Employees can continue to sign up for payroll deductions until December 2009 or they can give a one time donation. Please contact the office for donations or questions.

GIVE.
Be a part of the change.

In addition to pledging to United Way, there are many opportunities for community service in the Hampton Roads area. Upcoming events are 2009 Isle of Wight Day of Caring on August 21, 2009. This year we will be helping in many projects in and around the school, including, seating for outdoor activities, murals, gardening and more. Education is extremely important to today's youth; these projects will create an encouraging environment for our younger generation. This event provides an opportunity for co-workers to cooperate on the common goal of helping others. Along the way, they build stronger relationships, learn new skills, and make a visible and important impact on Our Community.

Another event is the Race for Literacy on October 4th 2009. Run, walk, and cheer for the whole family in the 10-miler, 5K and 1 Mile Kids Fun Run. Awaiting the runners at the finish line is the fun festival. All proceeds of the event support the United Way of South Hampton Roads and its efforts to erase illiteracy.

If anyone has questions about donations or other volunteer events, please contact the office at 757-934-3951 or you can contact Beth Cross at the United Way of South Hampton Roads at 757-539-1498.
